The Clever Unknown. There must be many clever people in the world among the workers whose

names are never known, though their productions sell well. Take the wonderful things now on view in shop windows, their beautiful designs and elaborate finish, from the cheap ornaments, which are often prettier than real jew-elry, to the dolls, bonbon boxes, wood carvings, glass and china objects and general bric-a-brac of all nations. Who knows and who cares how the gifted and patient makers of these novelties live and die or if their toil receives anything like an adequate reward?—Phila-delphia Press.

Double Grievance, "It's the men," savagely exclaimed Mrs. Gofrequently, "that do all the

hold ups." "And when it comes to our hats, wrathfully added Mrs. Muchabout, "it's the men that do all the pull downs."-Detroit Free Press.

New General Borough Act. Senator Voorhees has introduced the to remedy all the defects in existing borough have and give to boroughs now CITY OF temporarily existing under the act of

General Borough act, which is intended THE 1896 a permanent form of government. NEWARK It was prepared by Alfred F. Skinner, chairman of the special committee appointed for that purpose by the Legislature of 1390. So much confusion had been occa-

sioned by the multiplicity of remedial borough acts forced through the Legislature to meet the constitutional objections to their existing laws that it was determined to have one general act prepared, flexible enough to meet all exist ing and possible contingencies. Several boroughs were at the time without any corporate existence because of decisions of the Court, and as the time was limitell, a temporary act for their relief had to be passed. Since the Legislature of 1896 adjourned, Mr. Skinner has been hard at work on the preparation of the bill, and the present Legislature dele- Rich Cut Glass, gated him to complete it.
